#### The Public School Library.

The library of School District No. 7 comprises about 800 well selected volumes. It is desirable to increase the library by the addition of some books of reference greatly needed by the members of the bigber grades in the pursuit any. of their studies, particularly history, in which there is an awakened interest. Section 95 of the Amended School Law

"The treasurer of the state, upon the order of the state superintendent of education, is hereby authorized and directed to pay over the sum of twenty dollars out of any money that may be in the public treasury, to every public school for which there shall have been raised by subscription or entertainment a like sum for the same purpose, to establish in such school a school library, and to procure philosophical and chemical an- Wild, of the Union Congregational year, for the purposes aforesaid."
